ABOUT MAKE-A-WISH FOUNDATION® OF INDIA

Make-A-Wish Foundation® of India is a nonprofit organization affiliated to Make A Wish Foundation® International, a prestigious foundation which has 37 other affiliates worldwide serving about 49 countries. The Foundation is dedicated to granting the most cherished wish of children between the ages of 3 and 18 years, living with life-threatening illnesses, irrespective of their socio economic status, caste, race or religion. It is a Registered Trust under Bombay Public Trust Act 1950. Each affiliate works within the framework of stringent international policies and guidelines.

Make-A-Wish is the most preferred and highly rated charity with FOUR STAR rating by International Charity Navigator for 9 years in a row and thus we are a global brand and a pioneer in this effort. The Indian affiliate was established in 1996 and since then we have fulfilled over 28,000 wishes across 11 divisions in India. There are 11 divisions of the organization functioning in the country viz. Ahmedabad, Bangalore, Coimbatore, Chennai, Delhi, Goa, Hyderabad, Jaipur, Kolkata, Mumbai and Pune. Its head office is based in Mumbai, Maharashtra. On an average, we fulfill around 3,000 wishes per annum.

Power of a Wish: For children battling life-threatening illnesses, the joys of childhood are replaced with a daily battle for survival, painful treatment, medication and endless rounds of hospitals.

The fulfillment of the most cherished wish of a child, who has very little hope of enjoying a normal, healthy life not only gives happiness and joy to him/her but also has a therapeutic effect on the child. Doctors have often reported an improvement in the child’s physical condition, after the fulfillment of his / her dearest wish. A wish fulfillment makes a sick child believe that anything is possible – even the future.

Typically children’s wishes fall into four categories:

* Wish to go... e.g. to a theme park, a sporting event, the beach, travel within India
* Wish to be... e.g. a policeman, a firefighter, a chef
* Wish to meet...e.g. a favorite Bollywood celebrity, TV artist, sports person or athlete
* Wish to have... e.g. cricket kit, remote control car, kitchen doll set, computer, mobile phone

Volunteers:

Each year, volunteers generously give their time, talent and energy to fulfill our mission in India. The need to reach out and identify the wish of every eligible child is far more and thus leads to our constant need for more volunteers.

From the Desk of the Managing Trustee

Dear Stakeholders,

Yours truly,

Uday Joshi
Founder & Managing Trustee

From the Desk of the CEO

Dear Well-wishers,

Thank you for your overwhelming support to the cause of Make-A-Wish India. First and foremost, we started the year with a new board of Trustees that comprised of eminent people like our Founder and Managing Trustee Mr. Uday Joshi, Mrs. Sangita Jindal, Mrs. Neerja Birla, Mrs. Ritu Chhabria and Mr. Maneck Davar.

Growth is the key word by which I can sum up our performance this year.

Growth in
- The number of divisions
- The number of hospitals that referred children to our program
- The number of corporate that extended support to us
- The number of wishes granted
- Amount of revenue we raised
- Approvals from credibility rating organizations and
- The amount we were able to use back for granting wishes.

More details about these growth numbers are shared in this annual report.

Apart from growth, across the 11 divisions we were able to strengthen our teams with staff and volunteers, that helped us accomplish the above.

Going forward, we cannot just rest on the laurels we have achieved. This puts more pressure on us now to perform better. With over 100,000 children getting diagnosed every year with life-threatening medical conditions, the challenge for team at Make-A-Wish India is to grant the wish of every eligible child and work towards granting the 40,000th wish on the eve of its 20th anniversary in Sept 2016. We hope that support from like-minded corporate through their CSR programs and the mandate from Ministry of Corporate Affairs should enable us to generate additional revenue to achieve this objective.

Thanking you once again for your support and look forward to hearing from you on how you would like to adopt a wish or join us as a volunteer.

Yours Truly,

Deepak S Bhatia

2014-15 - A YEAR OF ACHIEVEMENTS

Make-A-Wish India granted 3352 wishes in 2014-15 – bringing hope, strength and joy to children, families and communities across India.
ACTIVITIES OF MAKE-A-WISH ACROSS INDIA

WORLD WISH DAY:

AHMEDABAD

The Polio Foundation and Make A Wish Foundation Ahmedabad division came together to celebrate World Wish Day. Very prominent personalities like Dr. Bharat (President at the International Lion’s Club) were present at the event along with the trustees of the hospital. The wish granting event by Make-A-Wish marked the day when the wishes of the children were granted. There was nothing more satisfactory than to see the happy and excited faces of the kids when they were given what they had wished for. Each child had made tremendous efforts in conveying what he/ she desires most at the time of wish identification. Most were incapable of speaking but indicated what they like and what excited them, either themselves or with the help of their parent present. It was indeed heart warming and self-satisfying to grant wishes of children who are incapable to lead a normal lifestyle. Children had wishes like remote cars, videogames, a cycle, new clothes, and even a TV! 16 wishes had been fulfilled on the following day.

JAIPUR DIVISION

In the canvas of our minds we all paint some wishes! But if given a chance we all could paint our wishes beautifully on real canvas also. This was clearly demonstrated when people painted on a huge canvas put up at Gaurav towers by Make-A-Wish Foundation of India on Friday, 25th April. The campaign “Come Paint your wishes! Uncover A Wish Discover a smile!” was designed to inspire people to adopt wishes of children living with life threatening medical conditions, and create awareness for the Foundation. Others enjoyed putting their imagination in vivid colors on huge canvas. The children were excited to paint along with Shagun Kapoor, a renowned artist, and also Parul Sharma with her colleagues from Indian Institute of Craft and Design.

Also people discovered the joy of uncovering the wishes. An installation was put up wherein, as soon as the wish was uncovered, the smile lit up on the face made on a huge flower. The message was that by adopting wishes, we can also put up smiles back on the child's face.

People were delighted to actually record their wishes on the “telephone booth” wherein they spoke their heart out for the first time and It was fun when their wishes were replayed again on the loudspeaker with a big round of applause from everyone around! It encouraged people who aspired to be singers to come up front and sing for the public! What a lovely evening! Truly a memorable World Wish Day for the Jaipur Division!
PUNE DIVISION
Make a wish Pune division’s event started with World Wish Day. On 29th April 2014 we arranged our WWD event at Utsav hotel and 12 wishes had been fulfilled on that day. There were computers, DVD player, Remote cars, Video games, Dolls and Cycles. One of the unique wish was of a girl Janhavi Kshirsagar who wished to have DVD player because she loves to dance on the tunes of bollywood music. She was all delighted to have DVD player because she knew down the line that she can play songs whenever she wants and can dance anytime.

The wishes included bicycles, micro wave oven, L.C.D, cricket bat and ball set etc.

Kids enjoyed magic show and cartoon movie. Most of them were experiencing it for the first time which was evident from their surprised 1000 watt smile. Some of them were running around to get a feel of what they are seeing. The children were overjoyed after being presented with gifts as their wishes were fulfilled. There was a lot of interaction amongst the volunteers and the children and their families. Everyone got together for a group photograph to capture the moment of happiness.

KINGS AND QUEEN PROGRAMME
The event was at Shantai hotel in the evening where 13 wishes were fulfilled. Kings & queen group adopted 15 wishes but due to medical conditions 2 kids couldn’t come. It was really well organized program by the group. They had arranged some games for these kids where every kid participated. Winners of every game were getting games. Then they played music for kids and everyone danced on that music. As soon as our chief guest, Shashank Ketkar, who is very big name in Marathi serials, arrived kids got excited and happy and each kid either wanted to shake hands with him or wanted an autograph. Everyone enjoyed and the organizers wished to arrange more programs in future. Almost 15 wishes were adopted by the group worth Rs. 80000/-

The event took place at Shahpura House, a beautiful Heritage Hotel at Bani Park on Thursday, Oct 4th, wherein about 30 kids suffering from life-threatening illness were invited by Smt Ratna Singh, the owner of Shahpura House. It was a fun-filled evening for children.

XMAS EVENT FOR MAWFI 2014

Open Deck Bus reservation for South Mumbai Tour for 30 Wish Children. Make-A-Wish India had arranged Mumbai darshan for 30 wish kids. The tour had started from Phoenix Mall at 5 pm and ended at 7 pm. Wish kids were very excited to start this journey as most of them hadn’t got the chance to explore this dream city. So it was the golden chance for the kids to go around the city and to know more about the place. The day was to unfold and kids started coming to the pickup point with cheerful and wider smiles on their faces. When the journey started, kids became curious and started asking questions about the places of Mumbai. Make-A-Wish team then served them food and drinks. Happiness could be seen on their faces. We had Santa Claus on the bus to entertain children. They actually started enjoying the bus ride and waving to the people coming on their way. Children visited from Phoenix to Mahalaxmi then Girgaon Chowpatty, Marine Drive and the last point was Nariman Point. It was very satisfied to watch them so free of hospital environment and happy at the same time.

The event was held at Taj Connemara Hotel. The children with their parents happily trooped in the hall. Taj had arranged for a magic show, a person painting tattoos on the kids’ arms and some games to entertain the kids. This was all complimentary. After a few speeches, the kids were given their gifts in the presence of the celebrity actor Vijay Sethupathi. One child wanted to meet him but it was a bonus enhancement for all the children. It’s been nearly 2 since I have been associated with Make a Wish Foundation of India. Having previously served for 15 years in the nonprofit sector, I thank MAW for giving me yet another chance to make a difference. Statement of Significant Accounting Policies adopted by the trust and notes forming part of the Balance Sheet as at 31st March 2015 & Income & Expenditure Account for the year ended on that date

A - Statement of Significant Accounting Policies -

1. Accounting policies not specifically referred to otherwise are consistent with earlier year in consonance with generally accepted accounting principle.

2. Investments: - Investments are stated at cost.

3. Recognition of Income & Expenditure: - Revenues/Incomes and Cost/Expenditure are generally accounted on accrual basis. Expenditure on Souvenir/ mementos is expenses out Income and Expenditure account in the year in which expenditure incurred.

4. Accounting for Donations - The grant is recognized only when it is actually received.
   (i) Grants received to acquire a non-depreciable asset, e.g., freehold land, is recognized separately as a ‘Restricted Fund’ in the balance sheet. When the asset is acquired, the concerned restricted fund is transferred to the ‘General Fund’ in the balance sheet.
   However, if a grant related to a non-depreciable asset requires the fulfillment of certain obligations, the grant is treated as deferred income and recognized as income over the same period over which the cost of meeting such obligations is charged to income.
   (b) Grants in the form of non-monetary assets (such as fixed assets) received at a concessional rate is accounted for on the basis of their acquisition cost to the NPO. In case a non-monetary grant is received free of cost, it is recognized at the nominal value of Re. 1.
   (c) For grants received for the purpose of meeting revenue expenditure of the NPO, both the grant (to the extent utilised during the period) and the relevant expenses are disclosed separately in the income and expenditure account. Unutilised grant is disclosed on the liability side of the balance sheet.

Gifts for wishes (In kind gifts)
Gifts donated for wishes are included at their estimated cost.
However, the value of time given freely by celebrities in connection with the granting of wishes is not quantifiable and therefore not included in the accounts. The Foundation receives the benefit of work carried out by volunteers, the value of which is not included in these accounts.
5. **Outstanding Charity Commissioner fees.** The trust has not paid contribution to Charity Commissioner since 2009-10, as it has received advice that the same is not required to be paid. As a result, the trust has not made any provision for the year in this respect. The provision made in earlier year amounting to Rs. 559783/- is also outstanding in the accounts for the same reason.

**B - Statement of Significant Accounting Policies -**

1. Previous years figures are regrouped wherever necessary to make them comparable.
