ABOUT MAKE-A-WISH FOUNDATION® OF INDIA

Make-A-Wish Foundation® of India is a nonprofit organization affiliated to Make A Wish Foundation® International, a prestigious foundation which has 37 other affiliates worldwide serving about 49 countries. The Foundation is dedicated to granting the most cherished wish of children between the ages of 3 and 18 years, living with life-threatening illnesses, irrespective of their socio economic status, caste, race or religion. It is a Registered Trust under Bombay Public Trust Act 1950. Each affiliate works within the framework of stringent international policies and guidelines.

Make-A-Wish is the most preferred and highly rated charity with FOUR STAR rating by International Charity Navigator for 9 years in a row and thus we are a global brand and a pioneer in this effort. The Indian affiliate was established in 1996 and since then we have fulfilled over 28,000 wishes across 11 divisions in India. There are 11 divisions of the organization functioning in the country viz. Ahmedabad, Bangalore, Coimbatore, Chennai, Delhi, Goa, Hyderabad, Jaipur, Kolkata, Mumbai and Pune. Its head office is based in Mumbai, Maharashtra. On an average, we fulfill around 3,000 wishes per annum.

**Power of a Wish:** For children battling life-threatening illnesses, the joys of childhood are replaced with a daily battle for survival, painful treatment, medication and endless rounds of hospitals.

The fulfillment of the most cherished wish of a child, who has very little hope of enjoying a normal, healthy life not only gives happiness and joy to him/her but also has a therapeutic effect on the child. Doctors have often reported an improvement in the child’s physical condition, after the fulfillment of his / her dearest wish. A wish fulfillment makes a sick child believe that anything is possible - even the future.

**Typically children’s wishes fall into four categories:**

- Wish to go... e.g. to a theme park, a sporting event, the beach, travel within India
- Wish to be... e.g. a policeman, a firefighter, a chef
- Wish to meet... e.g. a favorite Bollywood celebrity, TV artist, sports person or athlete
- Wish to have... e.g. cricket kit, remote control car, kitchen doll set, computer, mobile phone

**Volunteers:**

Each year, volunteers generously give their time, talent and energy to fulfill our mission in India. The need to reach out and identify the wish of every eligible child is far more and thus leads to our constant need for more volunteers.

Visit www.makeawishindia.org to learn how you can share the power of a wish.

From the Desk of the Managing Trustee

Dear Stake holders,

After being associated with Make A Wish India for over a decade, the last year saw managing the day to day operations has given me a different insight into the activities of Make A Wish India.

Key highlight this year has been the 20th celebration of Make A Wish India which included the hosting of the wish leader conference. This involved a huge responsibility on Make A Wish India which was very efficiently handled by our CEO and his team. Make A Wish International expressed its gratitude to Make A Wish India by presenting us the certificate of appreciation (shown alongside).

We can only succeed with support from likeminded people like you and we sincerely thank you for your unstinting support to our cause.

Yours truly
Maneck Davar
Founder & Managing Trustee

From the Desk of the CEO

Dear Well-wishers,

Our 20th year celebration this year was surely an affair to remember. Team at Make A Wish India wanted all the preparations for the wish leader conference. The two exceed the expectation of the 125 delegates. The overall theme was ‘wish chemistry’ around this we planned various activities to ensure that all the international delegates get a fair understanding of the India art and culture. More details on the activities carried out are shared in this annual report.

A part from the wish conference, granting of unique wishes like Rajalingam wished to be a naval officer were part of the 7318 wishes that got granted in this year. This also is the largest number of wishes granted by Make A Wish India in the last 20 years. We are pleased to share that the Ministry of Corporate Affairs finally granted its stamp of approval to Make A Wish India as a charity in the health category of section VII to grant under 2% CSR.

As part of its 20th year celebration, Make A Wish India acknowledges the continued support from Jewelers from Children, Jewelers from Children has supported Make A Wish India with a generous grant every year that has helped us grant wishes of over 1250 children every year. We hope more likeminded donors will come forth to support our cause in a similar way.

Yours Truly,

Having previously served for 15 years in the nonprofit sector, I thank MAW for giving me yet another chance to make a difference. During this period I have involved myself in the policy making and execution of different plans particularly covering RCH, CSSM, ICDS scheme. I was also involved in educating women of child bearing age regarding the importance of ante-natal check-up, family planning, birth spacing, maternal care, child care, adolescent life cycle approach, nutrition, sanitation, health education, etc.
When I first started, I had little experience of handling kids much less those braving life threatening diseases but now I would not have it any other way. It has indeed been a life changing opportunity.
It might appear as though it is I who works towards bringing our kids joy, however in reality; it is they who fill my life with immense satisfaction and happiness.

Pushpa Devi Jain, Program Coordinator, MAWFI, Hyderabad Division
I have been working with MAW since 2014. It has been a wonderful experience of sharing joy with the wish kid and their family. Everyday poses a new challenge in front of me and my team and I enjoy the satisfaction I derive from successfully facing them.
With a Masters and a PhD from Osmania University, I have taught for almost two decades and was the Principal of the colleges in the twin cities. I have also headed 7 branches based in Malaysia and Singapore and have won many awards and laurels for sports and extra-curricular activities. I have previously worked for NGO Spastic children at Manu centre and as a counselor in Thalassemia society to name a few.

Roopande Shah, Program Coordinator, MAWFI, Ahmedabad Division.
With a Masters degree in social work, I have been working in the field of education, health and awareness programs, children and women’s welfare since the last 30 years.
I joined Make a Wish 6 years ago and it has been an experience like no other. I cherish the joy and smiles on the faces of our children on having their most desired wishes fulfilled!

Akhila Koparkar, Program Coordinator, MAWFI, Pune Division.
I joined MAW in the year 2010 and am very happy to serve for this cause.
Throughout these years I’ve seen hundreds of children who at one point could not help but feel hopeless and dejected with the challenges thrown at them, now filled with a renewed enthusiasm and zest for life.
I thank MAW for giving me this opportunity.

Sweta Bakiwala, Program Coordinator, MAWFI, Jaipur Division.
The Joy of Living is best experienced when we indulge in the Joy of Giving.
I did not realize this until I started working with Make-A-Wish.
I joined the organization 6 1/2 years ago in April 2010 and ever since then talking to these children, spending time with them and seeing the bright smile on the faces of these children by fulfilling their wishes has become an integral part of each day of my life.
It brings so much joy and satisfaction to our lives too. Some children really touch your heart and remain in memory for long with their innocent and hopeful dreams
Seeing their little faces sparkle with joy and excitement on every wish getting fulfilled is an experience beyond words. The sense of contentment and achievement while working for the cause is immense.
Vishal Singh, Program Coordinator, MAWFI, Delhi Division.
I would describe myself as a very determined and highly motivated person with positive and enthusiastic determination. I am working with MAWFI since 2014. I really enjoy the task assigned to me as this is this is a cause very close to my heart.
I have been working in the field of social development since 14 years, focusing on women and children for their overall growth, health & education.
I thank MAW for this opportunity that enables me to continue making a difference.

Ms Laxmi Arun, Program Coordinator, MAWFI, Bangalore Division.
I started my career with HDFC bank and later moved on from banking to nonprofit sector. With 12 years of work experience, I joined Make a Wish Foundation 2 and a half years ago and the journey has been amazing so far.
The satisfaction from seeing our kids smile bright on having their wishes fulfilled is unparalleled and I thank MAW for this beautiful experience.

Anita Fatima, Program Coordinator, MAWFI, Coimbatore Division.
I joined Make a Wish 3 years ago after having worked in Banking recovery collections & social sector for a decade. I have completed an MBA in HR Management.
My entire time with MAW has been meaningful and memorable and I hope to able to spread joy in our children’s lives through my efforts for the years to come.

Francis Y, Program Coordinator, MAWFI, Chennai Division.
I joined Make a Wish 2 and half years ago as a program coordinator
I have a Masters in Social work with 7 years of previous work experience, having worked with Directorate of Social Defence, Government of Tamil Nadu, Tsunami project, Cankids-Kidscan-NGO to name a few.
I thank MAW for the opportunity to light up the lives of our wish children.

Sophia Falcao, Program Coordinator, MAWFI, Mumbai Division.
I am proud to say that I have been associated with MAWF since the last 5 years.
I have always liked being around children and this has been a wonderful opportunity to connect with them. I love working for a good cause and with a likeminded team.
Every time I see a child’s face light up on having their wish fulfilled, I am satisfied knowing that I am doing something right. Thank you MAW for this beautiful experience.

Walking The Ramp Was a Dream Come True

Police chief orders probe into Madh hotel, beach raids

ATTENTION, HERE I COME!
The good samaritan

WE have seen the hectic lives led by stars or actors associated with the big bombaks known as Bollywood up close. Inseparable from their glamorous image are the short working hours and luxury authori- ty bites. Usually, in a day, they are expected to wake up early, get into their fitness regime, get their hair and make-up done, discuss with the director, shoot a scene or two, and straight into the gym. Usually, the only break they get is for a cup of tea. But, today, we found a healthy meal prepared by their nutritionists on the go, go to shoot, finish shoot, and before going home, attend an event, Town Hall meeting. That’s why it is always hard to believe that their face is always a smile. And that’s why we were surprised to hear that special occasions make time for special events, that they usually do not bring their children to sets or parties, and that they are not seen in public or open. This is particularly true here when the young star Aashiq Bhatt took time to spend time with a voice-over artist and Veda, who said, “It was a very special day.”

Aashiq Bhatt and Veda

We are taking a day to thank you for being a very kind Aashiq Bhatt for taking out time from 12:00 p.m. at VIP, his busy schedule to meet Veda, whose dream in life is to become a “chillain” and marry Aashiq.”

Keeping the fire in him alive

SUNITHA SENGAR

CHENNAI: On Friday morning, the fire service and Rescue Department personnel in Teynampet fire station were excited awaiting the arrival of someone special. Around 11 a.m., five-year-old Akshaj Jayan, clad in khaki uniform, got off a car and stepped into the fire station to hear a loud cheer welcoming him. He instantly reciprocated the warm welcome by handing over a rose to each of the firemen with a broad smile.

Battle a life-threatening disease in a private hospital here, Jayan wants to be a fireman. Ask him why and he says, “I want to save lives like Fireman Sam.” He has been watching the television series since the age of two and found his ambition. Sporting a red cap inside the fire truck, he went for a ride on Anna Salai.

Bakthawar Murli of Make-A-Wish Foundation said, “We fulfilled wishes of children with life-threatening illnesses between the ages 3 and 16. We execute four types of wishes to have something, to be someone, to go somewhere or meet someone. Akshaj’s wish was to be a fireman.”

His parents Krishnaveni Jayan and Jayan Rameshwar, who live in Kailash colony, came to the city with Akshaj about two months ago for his treatment and plan to return in a few weeks. Krishnaveni is hopeful that this experience will have a positive impact on his health. “He has been talking about this days. We hope it helps him recover faster,” she says. “There is nothing more rewarding than discovering that our job inspires children,” said P. Saravanam of the Teynampet Fire Station.
