ABOUT MAKE-A-WISH FOUNDATION® OF INDIA

Make-A-Wish Foundation® of India is a nonprofit organization affiliated to Make-A-Wish Foundation® International, a prestigious foundation which has 37 other affiliates worldwide serving about 49 countries. The Foundation is dedicated to granting the most cherished wish of children between the ages of three and 18 years, living with life-threatening illnesses, irrespective of their socio-economic status, caste, race or religion. It is a Registered Trust under Bombay Public Trust Act 1950. Each affiliate works within the framework of stringent international policies and guidelines.

Make-A-Wish is the most preferred and highly rated charity with FOUR STAR rating by International Charity Navigator for 11 years in a row and thus we are a global brand and a pioneer in this effort. The Indian affiliate was established in 1996 and since then we have fulfilled more than 52,710 wishes across nine divisions in India. There are nine divisions of the organization functioning in the country viz. Ahmedabad, Bangalore, Chennai, Delhi, Hyderabad, Jaipur, Kolkata, Mumbai and Pune. Its head office is based in Mumbai, Maharashtra. On an average, we fulfil around 7000 wishes per annum.

Power of a Wish: For children battling life-threatening illnesses, the joys of childhood are replaced with a daily battle for survival, painful treatment, medication and endless rounds of hospitals.

The fulfilment of the most cherished wish of a child, who has very little hope of enjoying a normal, healthy life not only gives happiness and joy to him/her but also has a therapeutic effect on the child. Doctors have often reported an improvement in the child's physical condition, after the fulfilment of his/her dearest wish. A wish-fulfilment makes a sick child believe that anything is possible – even the future.

Typically, children’s wishes fall into four categories:

- Wish to go... e.g. to a theme park, a sporting event, the beach, travel within India
- Wish to be... e.g. a policeman, a firefighter, a chef
- Wish to meet... e.g. a favourite Bollywood celebrity, TV artist, sports person or athlete
- Wish to have... e.g. cricket kit, remote control car, kitchen doll set, computer, mobile phone

Volunteers:

Each year, volunteers generously give their time, talent and energy to fulfill our mission in India. The need to reach out and identify the wish of every eligible child is far more and thus leads to our constant need for more volunteers.

From the Desk of the Managing Trustee

Dear Stakeholders,

We are extremely grateful to all our well-wishers and donors who made wishes come true in this financial year.

We place on record our sincere and a very special thank you to our esteemed donors – Jewelers For Children (JFC) and TATA Trusts for their continued faith in our cause.

Not to forget our volunteers who work tirelessly and passionately to meet every eligible child and identify the innermost cherished wish, the staff who work with the wish organising volunteers from the corporate world, partners like KidZania who help to make the wish granting a memorable experience, the vendors who form our supply chain and go to any extent to get the wish gifts beautifully wrapped and delivered in time. And the parents of our wish children, who enthusiastically participate in every event that is organised for them.

We are glad to have the support of such like-minded people and look forward to their continued support to help us achieve the Vision 2020, to grant wish of the 75,000th child in our silver jubilee year 2020.

Yours truly
Maneck Davar

From the Desk of the CEO

Dear Well-wishers,

This financial year has been full of challenges for Make-A-Wish India.

As the saying goes, Change is the only constant... such was the case with us. We had a change in almost every aspect of the wish process this year. It was a very difficult decision to close down our wish granting programme in Coimbatore, followed by having to relocate office and start with a new team in Bangalore and Delhi. All these led to spending time in operational set-up and eventually in identification and then granting lesser number of wishes. Once the teams were in place, we geared up operations and fundraising efforts.

As on date till this financial year-end, Make-A-Wish India has granted wishes of 52,710 children.

Strategy and our approach is in place with the clear focus to achieve Vision 2020.

We thank all our well-wishers and will meet them in person in due course to secure their commitment, not only for the next financial year, but for a long-term support, till the financial year 2020-2021.

With faith and goodwill,

Deepak S Bhatia

SPIRIT 2018 WITH SUPPORT FROM ‘JEWELERS FOR CHILDREN’

SPIRIT 2018 EVENT MADE A MARK WITH SUPPORT BY JEWELERS FOR CHILDREN. THANK YOU JEWELERS FOR CHILDREN FOR MAKING THIS EVENT A HUGE SUCCESS.
SPIRIT 2018: A BRIEF SYNOPSIS

To encourage children in age five to 18 years, diagnosed with cancer or survivors, to demonstrate their talent, on the eve of International Childhood Cancer Day, an event called “Spirit 2018” was conducted in the professional format.

Last year “Spirit 2017” was conducted as a funfair organized inside the NSCI at Worli. This event saw almost 300+ kids diagnosed with cancer, come forth to enjoy the day. Bharat Ratna Sachin Tendulkar graced the occasion to motivate and boost the morale of the kids.

In “Spirit 2018”, Make-A-Wish India with support from Tata Memorial Hospital, Mystique, Artscape, Jewelers For Children and many NGO partners, organized an individual singing and dancing talent show for cancer diagnosed kids and survivors. The event included auditions round to semi-finals, professional coaching and the Grand Finale.

The cycle of the event from Auditions on 23rd & 24th Jan to the Grand Finale of Spirit 2018 on 10th Feb ’18 at Nehru Science Centre was quite a journey. To make it convenient for children to participate, the Tata Memorial Hospital hosted the auditions in its auditorium. 161 children participated with great zeal and were excited to get selected for the next rounds. Posters had been put up in various centres like Tata Hospital, Borges Home, St. Jude Sewri, St. Jude Parel and Indian Cancer Society.

The competition was fierce and there was no space for any complacency. It was a delight to see that nothing stopped the children to participate in the competition, not even their being on a wheelchair or having to use crutches. All the 161 participants were given participation certificates, dietician approved tasty snack boxes and various gift hampers from sponsors like Nestle, Disney, Cadbury, Dabur, dried fruits and stationery kits. In the semi-final round there were 36 kids and then for the finals 18 kids were selected. These finalist kids were provided with professional coaching for singing and dancing; they were also given custom-made dresses to match their profile and eventually got a nice strolley bag, a duffel bag, tracksuit with a set of three t-shirts and a trophy. In this event we had a very special child, Rehan Mirza, whose mother was as excited as the kid. His mother shared with us “Rehan is going to be operated sometime later after the event and his only wish was to perform in the finale one last time with both of his legs. It was an emotional moment for him, as his mother told Make-A-Wish team that Rehan is having his leg amputated by doctors to save his life”. It was not just Rehan, however, we met so many kids with emotional stories during this event. We had two participants, Chidagni Pandey and Khwaish Ansari, who came all the way from Kolkata just to participate in the event.

It wasn’t a cakewalk for the participants as they had to battle real hard to make their way to the finals. After the quarter-finals all the selected participants were provided with individual mentors to guide them. The participants practised really hard and our partner Artscape executed the event with flying colours. They provided the participants with individual mentors so that they get the best guidance and bolster their confidence to the zenith. Around 20 children got selected for the finals. There were regular practice sessions before the finals in centres like Borges Home and Indian Cancer Society. Invitation cards were distributed to various stakeholders, donors, volunteers and well-wishers.

The finale was held at Nehru Science Centre, Mumbai on 10 February 2018. All the participants from the audition round were called to see the event with their parents and before the programme they were sent to watch the movie “Science Odyssey” in Nehru Science Centre. This event would not have been possible without the volunteers, who came to us from Mystique, Make-A-Wish India and Disney.
The grand finale event was hosted by eminent mimicry artist Shrikant Rao and Deepak S Bhatia — CEO at Make-A-Wish India. The event started with the opening song “Itni Shakti Hume Dena Data”, sung by four kids who had come for auditions, but could not make it to the finale list. This was followed by Deepak sharing the “Wish Journey” concept, to showcase how memorable wishes get granted. This started with Mr. Uday Joshi the founder of Make-A-Wish India sharing how as a parent he lost his son to cancer and got inclined to start the wish granting programme in India. This was followed by Dr. Banavali – HOD Paediatrics at Tata Memorial Hospital, sharing how granting of a wish has helped children to stay positive and not abandon their medical treatment.

The next person on stage was Bhavya Gandhi aka Tappu from Tarak Mehta ka Oolta Chashma who recited one of his poems and shared his experience and talked about his mother Yashoda Gandhi’s journey with Make-A-Wish India. She has been associated with Make-A-Wish India for almost three years. To show how wish experience is made memorable, there was a special performance by Mr. Luke, who has been associated with Make-A-Wish India for many years, and in spite of his busy schedule, flew down from US to perform with the children. Last but not the least was our wish child Harsh, who was under the treatment of Dr. Banavali, whose wish to have a Mitashi CD system was granted in 2004, which helped him like music and thus not abandon his medical treatment. Last but not the least was our wish child Harsh, who was under the treatment of Dr. Banavali, whose wish to have a Mitashi CD system was granted in 2004, which helped him like music and thus not abandon his medical treatment. Today, Harsh is studying civil engineering at IIT Bombay and has completed his 2nd year successfully. It was now time for Shrikant to show his skills with the kids with mimicry in voices of various celebrities. He very beautifully compered the evening and the audience stayed glued to their seats. Mr. Shiamak Davar and Master Marzi Pestonji, eminent choreographers in the dance industry, made a smashing entry in the event to cheer up our children.

Our eminent judges: (singing) — Mr. Sairam Iyer, Mr. Amit Sinha, Mr. Rabbani Khan and dancing — Dr Sheela Bhutala, Ms. Mini Pradhan and Mrs. Komal Shah, were impressed with the children’s performances and showcased a bit of their own talent, with Sairam singing in both male & female voices being the highlight of the evening. Eminent personalities came up on the stage to hand over the trophies to all the 18 finalists, who had either won the contest, or bagged the first or second runner-up slot in the event.

The Bharatnatyam dance performance by Chidagni received a standing ovation by all present. The event concluded with our Trustee Mr. Bobby Kothari presenting the vote of thanks on behalf of Make-A-Wish India and Team Mystique. He thanked all the well-wishers, volunteers, the children and their families who made Spirit 2018 a big hit.

Post the event, one of our participants Harsh Modi shared with his father: “Papa, today I felt like I don’t have any problem anymore.” Laxmi Priya one of the participants who couldn’t make it to the finals but reached the venue just to watch the Finale kept asking us why we didn’t choose her as a finalist. However, she enjoyed the programme and was very happy in the end.

And not to forget our brave heart Rehan, who gave us a fantastic dance performance on the song of Bajirao Mastani, collected his trophy & prizes and then rushed to the hospital by 8 pm for getting admitted for his surgery that was performed on 12th Feb. These kids really showed us on 10th Feb that they really are brave hearts and it is they who motivate us to go that extra mile every day to make every wish come true. Transforming lives, one wish at a time.
OUR WISH-GRANTING PARTNERS

Working in partnership with Jewelers For Children, Make-A-Wish India was able to establish a foothold for hope and happiness in a country where wishes used to go unanswered. As a result, thousands of children have already seen their often humble, but heartfelt, wishes become a reality. Thanks to Jewelers For Children, India’s sick children, their families and medical caregivers, now sometimes dare to dream. They dream of little miracles at first – a new toy, some new clothes, something musical. And, as they see these wishes met, one by one, twenty by twenty, these people begin to dream new things. They dream of days that have no pain, of lives spent at home with loved ones, of full recoveries. This is the real magic of Make-A-Wish India.

Time and again, KidZania has partnered with Make-A-Wish foundation to create memories enabling positive impact on society. Speaking on the KidZania – Make-A-Wish association, Mr. Viraj Jit Singh (CMO, KidZania), said: “At KidZania, it’s our mission to promote positive change and build strong community awareness among our children. In India we have two programmes: “Kids for a Cause” where our kid visitors are empowered to contribute positively to society and the “Kids for a Better World” where we target to host at least 10,000 less privileged and specially abled children each calendar year and ensure they get an equal opportunity to experience KidZania and understand the world around them better. We are extremely happy to partner with Make-A-Wish for their unique initiative and look forward to working with them again to spread happiness and the experience of KidZania to kids all over.”

Cox & Kings has been supporting Make-A-Wish India for travel wishes. Make-A-Wish India is overwhelmed by the support from Cox & Kings. Wishes like that of Sravanan who wished to visit Shirdi temple, Lokesh who wished to visit Ooty with his parents, Suhas Kamat who wished to visit Taj Mahal and Tanush who wanted to visit Mysore are some of the most cherished wishes that were made possible, courtesy Cox & Kings.

Kids for Wish Kids®
PROGRAMME

The Kids For Wish Kids® programme allows kids to help grant the wishes of kids with life-threatening medical conditions. When kids decide to take the initiative to raise fund to grant wishes, then with the help of Ketto (an online fundraising platform) Make-A-Wish India creates a page dedicated to the child with all the details and asks for the funds. Kids then spread the cause across their circles on various social media platforms seeking donations.

Teachers and parents often serve as advisors, but ownership of the project belongs solely to the kids involved. Kids like Naisha Dadwania and Aashi Doshi from Aditya Birla School and Madhulika and Shreyanshi from Bombay International School have helped Make-A-Wish India grant wishes.

If you like to refer Make-A-Wish India to any school, just drop a mail to ceo@makeawishindia.org.

Spreading their wings, living their dream

Sumetha Sreek

On Thursday, half past seven in the morning, two ambitious boys – 12-year-old Amit Jain and 14-year-old Mohammed Kafi – slipped into the pilot’s uniform of IndiGo and arrived at Chennai airport. These two teens were set to soar through the air for the day, living their dream of becoming a pilot.

“It felt surreal. From just merely staring at a flight and dreaming of manoeuvring one to living a day as a pilot, it was once-in-a-lifetime opportunity,” Kafi, a native of Nagercoil in Nagerpurinam district, who visits the city for treatment, says. The duo travelled from Chennai to Coimbatore and back with the help of Make a Wish Foundation, an organisation that fulfils wishes of children with life-threatening illnesses. Amit says that at both the Chennai and Coimbatore airports, they were overwhelmed by the crew’s welcome. “We were greeted cheerfully with flowers and cake. The passengers stopped for us too. We looked around the aircraft too,” he adds. He recollects how thrilled he was to meet the pilots Capt. Abhay Bhaduria, Capt. Lakshman Sanalaran and Capt. Rahul Patil.

Balkrash Murali of Make a Wish Foundation says, “It was not easy initially for us to fulfill this wish. But one of our volunteers Saryankiran helped us and approached IndiGo Airlines. E. Murugesan, senior airport manager, IndiGo Airlines, graciously accepted the proposal and booked four tickets and also paid for the captains’ uniforms.”

Sangeeta Jain, Amit’s mother says, “The children will remember it as the best day of their life.” Mr. Bhadoiya recalls their chats with the boys. “I still remember the spark in the eyes of the boys. It was an emotional scene,” says Mr. Bhadoiya.

MAKE-A-WISH FOUNDATION OF INDIA

Statement of Significant Accounting Policies adopted by the trust and notes forming part of the Balance Sheet as at 31st March 2018 & Income & Expenditure Account for the year ended on that date

A – Statement of Significant Accounting Policies:

1. Accounting policies not specifically referred to otherwise are consistent with earlier year in consonance with generally accepted accounting principle.

2. Investments: - Investments are stated at cost.

3. Recognition of Income & Expenditure: - Revenues/Incomes and Cost/Expenditure are generally accounted on accrual basis. Expenditure on Souvenir/ mementos is expenses out Income and Expenditure account in the year in which expenditure incurred.

4. Accounting for Donations: - The grant is recognized only when it is actually received.

   (a) Grants received to acquire a non-depreciable asset, e.g., freehold land, is recognized separately as a 'Restricted Fund' in the balance sheet. When the asset is acquired, the concerned restricted fund is transferred to the 'General Fund' in the balance sheet.

   However, if a grant related to a non-depreciable asset requires the fulfillment of certain obligations, the grant is treated as deferred income and recognized as income over the same period over which the cost of meeting such obligations is charged to income.

   (b) Grants in the form of non-monetary assets (such as fixed assets) received at a concessional rate is accounted for on the basis of their acquisition cost to the NPO. In case a non-monetary grant is received free of cost, it is recognized at the nominal value of Re. 1.

   (c) For grants received for the purpose of meeting revenue expenditure of the NPO, both the grant (to the extent utilised during the period) and the relevant expenses are disclosed separately in the income and expenditure account. Unutilised grant is disclosed on the liability side of the balance sheet.

Gifts for wishes (In kind gifts):

Gifts donated for wishes are included at their estimated cost. However, the value of time given freely by celebrities in connection with the granting of wishes is not quantifiable and therefore not included in the accounts. The Foundation receives the benefit of work carried out by volunteers, the value of which is not included in these accounts.
5. Outstanding Charity Commissioner fees: The trust has not paid contribution to Charity Commissioner since 2009-10, as it has received advice that the same is not required to be paid. As a result, the trust has not made any provision for the year in this respect. The provision made in earlier year amounting to Rs. 559783/- is also outstanding in the accounts for the same reason.

B - Statement of Significant Accounting Policies -

1. Previous years figures are regrouped wherever necessary to make them comparable.
