WISH IMPACT STORY

Harsh was taking treatment at Tata Memorial Hospital in Mumbai. His parents are schools teachers. In 2005, we granted his wish to have a CD player with English Music CDs. On 31st May'17, Harsh came to the Make-A-Wish office in Mumbai to share that, "this wish gift helped him overcome his pain and not abandon his long and painful treatment. And, now he has completed his civil engineering from IIT Bombay".
